Tractor Safety Course

Saturday, Sept. 27 is just a few days away. If you haven't made plans to attend the TRACTOR SAFETY COURSE for women and girls, why not do so? This course is designed especially for us. Dennis Torrence and selected FFA Sr. boys will be teaching the class. Some of the major topics will be: Child Labor Laws, Learning How To Be Safe, Tractor Safety On The Farm, Tractor Safety On The Highway, Safe Use of Farm Equipment, The Instrument Panel, Controls on Your Tractor, Daily Safety and Maintenance Check, and Starting and Stopping Your Tractor. There will be a practical driving and operation of tractors following classroom instruction (strictly voluntary.) Tractors for this course will be loaned by Mince Ford Tractor Sales, Madison Heights, Va., and Appomattox Truck and Tractor, Appomattox.

If you do not plan to ever drive a tractor the course will be helpful to you in checking out safety measures used on your farm.

The course will be held at the Appomattox County High School Agriculture Department from 9 a.m. to 3 p.m. Bring a bag lunch, the Farm Bureau Women's Committee will supply the beverage. Remember ladies, knowing proper measures will make a difference when we are called upon to operate a tractor or when our children begin. Let's try to make Safety First a slogan for our families.

Special Guests At Reedy Springs

This Sunday, September 28, at 11 a.m., former pastor Rev. L. P. Brown will speak at Reedy Springs during the morning worship service.

Lunch will be served and a special musical program will follow at 2 p.m. Featured will be guest soloist, Eugene H. Coleman of WWOD in Lynchburg, soloist Paul Carey of Rustburg, DeMint Brothers and Penny, a quartet from Evergreen Baptist Church and Rebecca Carwile Mixed Group from Rustburg.

The public is cordially invited to all services.

ON SUNDAY, OCTOBER 12, AT 2:00 p.m., THE ROCKS QUARTET will give an hour long performance down at the depot during the Railroad Festival. This sensational gospel group has made appearances all over the States and in Tennessee, North Carolina, and West Virginia. They have also recorded four albums and tapes. The quartet are all members of Rocks Baptist Church and the pianist is a member of Evergreen Baptist Church.

Bicentennial Exhibits To Be Displayed

The Appomattox Court House National Historical Park will sponsor the following National Park Service Bicentennial exhibits in the Historic Appomattox Railroad Festival on the week end of Oct. 11 & 12. These exhibits will be located in the former "Revco" building on the corner of Main and Church Streets, across from the Depot.

A NEW SPIRIT FOR '76 - This free standing exhibit currently being used in Mid-Atlantic areas of the National Park System describes many of the bicentennial areas preserved as a part of the park system. Colorful, containing a rear-screen slide program, the exhibit depicts areas dedicated to preserving the heritage and importance of our Revolutionary War period and the process which evolved out of this period.

ARTISTS IN THE PARKS PAINT THE BICENTENNIAL - This special exhibit has been prepared by the National Park Service as a part of its special bicentennial program. One of several traveling exhibits which will be seen throughout the nation in 1975 and 1976, the exhibit consists of 21 original paintings recently commissioned by the Artists-In-The-Parks program.

Each of the 21 paintings deals with a separate aspect of the American Revolutionary period. The subjects vary from "The Killing of Abner Hoemer" at Minute Man in Massachusetts by Herb Tauss, to the "Battle at Guilford Courthouse" by Bill Shields, and "Encampment at Morristown" by Robert T. Handville.

Done by professional artists, these paintings capture the mood and spirit of a nation being born - a spirit of independence shared equally by the colonies and represented in this unique traveling exhibit.

In addition to these two exhibits, the Park will have on display the model of Mr. Joseph Burn's Village of Appomattox Court House. Mr. Burn, an itinerate watchmaker from Pennsylvania, had been unable to serve as a soldier in the War Between the States because of a club foot. He is said to have repaired watches for the soldiers and to have been at Appomattox at the time of the Surrender. After the war, he visited Appomattox Court House many times and finally constructed the model as a labor of love or hobby. In building the model, he seemed to have relied partly on memory and partly on notes and pencil sketches made during his trips to Appomattox Court House. From the notes on the key maps and on the underside of the model, it would appear that he attempted to make the models to accurate scale and also endeavored to locate them with precision when assembled as a village unit.
